## 2020 PARKS, RECREATION AND OPEN SPACE PLANNING COMMUNITY SURVEY

WELCOME TO THE CARNATION PARKS, RECREATION, AND OPEN SPACE COMMUNITY SURVEY. The City of Carnation is creating a Parks, Recreation, and Open Space (PROS) Plan to develop the vision for the City's parks and recreation system and to gather community input to improve parks and recreation programs.

The plan will help the City meet the needs of our residents, businesses and visitors, now and in the future. Please take the following 5-10-minute survey to help us create a great plan for Carnation! You can answer the survey by going online <https://www.surveymonkey.com/r/CarnationPROS> or by completing this questionnaire and mailing it to the City by October 2, 2020. ***Please answer survey once, either online or by retuning paper survey.***
